

April 28, 2021

Dear Escapes! To the Shores Owners,

**The following are this week's property update notes:**

- As of Wednesday 4/28/2021, the indoor and outdoor pools are open. The outdoor pool will be accessible to guests by walking through the indoor pool area and out the middle double doors. Please keep in mind that from time to time as construction on the building advances the exterior pool deck may need to close for periods of time.
- Porter Roofing will be starting demo and dry-in before the arrival of roof materials.
- The hailstorm damage inspections were completed, and the property did suffer some hail damage. Especially to our EIFS bands, exterior vent system, and roofing. Insurance claims have been filed; we will keep all owners updated through this claim.

We continue to press on and are determined to bring the building back to its original glory! We will continue to send weekly updates and keep everyone as informed as possible through this process.

As always, we hope you are staying safe and healthy! We look forward to opening back up with a building that was better than before!

Sincerely,

Resort Management & Staff
