## ESCAPES! To The SHORES

Welcome to the Shores at Orange Beach, where paradise and luxury meet. Opened in 2008, the Shores provides the finest in beachfront relaxation, with easy access to local dining and attractions. Spend the day lounging by our large outdoor pool with waterfall, fishing at the nearby marinas, exploring the area's theme parks and enjoying the best seafood Alabama has to offer. In the evening; relax by the beachfront fireplace, lounge and grilling areas, and watch the sunset from your spacious balcony overlooking the Gulf.
