

Greetings,

**Here is an update regarding the property:**

1. Adjusters and an engineering team are onsite conducting investigations.
2. ServPro and the engineers are moisture mapping and designing a scope of remediation and have begun drying, especially on the east side of the building.

For the safety of all, the building is still closed until further notice. We have placed barricades around the property to prevent unauthorized personnel from entering. **As soon as it is safe to visit the property, we will send a notification.**

**NO RENTALS REMAINS IN EFFECT:** Escapes To The Shores is CLOSED to all RENTAL GUESTS until AT LEAST SEPTEMBER 30, 2020.

Please contact your rental management company, or your rental guests immediately to notify them of this determination. All reservations need to be canceled or rescheduled at this time. NO GUESTS WILL BE ALLOWED ON THE PROPERTY.

**IT IS YOUR RESPONSIBILITY TO CONTACT YOUR GUESTS AND/OR RENTAL MANAGEMENT COMPANY.**

We will continue to notify you of progress/changes as best we can.

**Sincerely;**

***Escapes To The Shores Resort Management & Staff***
