

## Coconut Malorie Resort Council of Unit Owners 2021 Board of Directors Candidate Biographies

### **Chad Malkus - Incumbent**

I grew up on the Eastern Shore and live in Cambridge, MD, and work as a Vice President and Senior Fiduciary Advisor for PNC Wealth Management. I am also an attorney, and practiced law in Maryland for almost 15 years before joining PNC. My areas of focus were real estate law, business organizations, and estates. During my legal career I represented several condominium associations in Ocean City and the surrounding areas, and now I focus primarily in Trust administration and finance. I also teach on an adjunct basis at the Purdue School of Business at Salisbury University.

I have extensive experience on multiple Boards and have served at the state level as President of the Board of the Alzheimer's Association of Maryland, among many other organizations, including President of the Dorchester County Bar Association, Cambridge Main Street, and the Chamber of Commerce. I was also recently elected to the City Council of Cambridge.
