

LaTour Hotels & Resorts would like to take a moment to recognize our new Assistant General Manager, Amora Magnus. Amora has been with the company for 3 years as the Front Desk Manager over Palm Beach and Escape! To The Shores. We are very excited to start this new journey with Amora as she will be focusing 100% of her time at Palm Beach Resort. She has already improved the property 10-fold with her hard work and adding a little color around the property. As you walk around you will see the new beautiful flowers, colorful flowerpots and brand new umbrellas. Amora has many wonderful ideas how to create a lasting guest experience while maintaining the integrity and value of our beautiful Emerald Coast property. Let's all put our hands together and congratulate Amora on her promotion!

Summer has arrived at Palm Beach Resort. CRM has been working in the A building and buttoning condo's up in the B, C and D.

Kutters has been trimming trees and cleaning out the flower beds. The LaTour staff has put umbrellas at the pool tables on both pools and planting flowers. We were recently told that Palm Beach is looking "Instagram worthy" YAY.

The Palm Beach board meeting will be held Wednesday June 30<sup>th</sup> to make the decision for the special assessments.

Orange Beach has received quite a bit of rain and we have run into a couple of leak issues on the A side roof. The roofing company has found the source and are sealing it up.

Next week the Connex trailers and the Lull tractor will be moving off site. This will open the much-needed parking for the busy season ahead.
